

UNIVERSAL TRACTOR OILS MOTOR-TRANSMISSION-HYDRAULIC STOU

Agrinol STOU SAE 10W-30, SAE 10W-40

Agrinol STOU - universal series of oils of STOU class (Super Tractor Oil Universal) for application in engines, including turbocharged, in mechanic transmissions and hydrosystems (hydro and hydraulic clutches) of tractors and other agricultural and building vehicles.
Suit for application in "wet disc brakes" of modern special technics.

As compared with mineral oils SAE 15W-40 class:

- provide up to 20% less consumption for waste;
- provide up to 2,5% fuel economy by faster inflow to friction points and faster engine warm-up, and also decrease "cold" wear of mechanisms.

Performance level:

Engines:

API CG-4, ACEA E3
SAE J300 10W-30 10W-40
MAN 271 *

Transmission units:

SAE J306 75W-80 75W-90
API GL-4/GL-5 in tractors*
ALLISON C-4, CAT TO-2
FORD M2C159 B/C;
John Deere JDM J 20 C;
MF M1135, 1139 ZF TE-ML 06A

As compared with oils SAE 80W class:

- up to 1,5% reduction of losses in transmission;
- provide noiseless operation during all the specified term of use.

Hydro-systems and hydraulic clutches:

ISO VG 46 / 68 / 100
DIN 51524.2/3 HLP/HVLP-D
AFNOR NFE 48603 HV;

* without HOLMER, only Agrinol STOU 10W-40
